**LB 2000 Stationary Asphalt Mixing Plant Assembly And Service:**

1. Lifelong service to exceed user expectation
2. Haomei's 10 satisfactory services
3. Freeing customers from worries

**Customer Service:**

1. Ready to provide industry advisory;
2. Recommend to choose extensible models;
3. Plan the site construction;
4. Installation and debugging;
5. Train operators and maintenance staff;
6. Regular return visit;
7. Supply genuine accessories;
8. Guide equipment moving;
9. Equipment upgrade and modification;
10. Provide technical exchange and training every year.

**Technical Information:**

LB 2000 Stationary Asphalt Mixing Plant Assembly  
And Service:

1. Lifelong service to exceed user expectation
2. Haomei's 10 satisfactory services
3. Freeing customers from worries

**Customer Service:**

The Technical Parameters of LB2000 Asphalt Mixing Plant:

Type	LB2000	
Production Capacity (t/h)	160	
Production Capacity (t/h)	529.5	
The Weighing Accuracy (%)	Aggregate	$\pm 0.5\%$
	Powder	$\pm 0.3\%$
	Bitumen	$\pm 0.25\%$
Mixer Rated Capacity	2000	
Drying Drum (Dia×Length)	2.2×8	
Storage Bin Type	Side/Down type	
The Volume Of Storage Bin(T)	150
